Old Business:

1. New Members: Grace Kim Kook has been reappointed but has not attended several meetings.

2. Planters: Remaining planters have been ordered. Currently they are being filled with flowers by Woods Landscaping.

3. Town Billboard: Presently the custodian does take care of updating the billboard and the announcements are for Borough announcements only.

4. Town Craft Show Sept. 18th: Tina suggested we change that date to coincide with Labor Day festivities on 9/4/11 at Memorial Field. Subcommittee will meet with Mr. Ottenger to coordinate the event.

5. Chamber of Commerce: Our newly revived Chamber will invite members of the town boards to meet with them to discuss community goals.

Donna suggested getting ideas from the town as to what they feel would be valuable goals for the town's benefit. One suggestion was to raise moneys for a recreation center, which the town does not have . Ann Brewster suggested improvement for the Senior Center.
