approved as presented.

Meeting Opened to the Public:

There were no members of the public in attendance.

Correspondence:

A letter from the Arbor Day Foundation congratulates Closter on being named a Tree City USA Community for the 12th year.

Old Business:

Todd stated a list of trees for removal has almost been completed and will be sent out for bid.

Two trees were planted in honor of Arbor Day: A Flowering Plum tree was planted at Tenakill School and a Magnolia tree was planted at Hillside School. Tony and Louise were in attendance as Student Council members assisted with the plantings.

We have not yet received a formal quote from Paul Cowie for the Forestry Management Plan.

We are not yet in a position to decide about possible survey work assistance.

There was no report on the old Grant Update.

The Laurence Court plantings are being handled by Bill Fuchs for the Borough.

There was no report on the Hometown Hardware Pear tree.

We are still investigating the Little Falls Cooperative.

There was no other Old Business.

New Business:

There was a brief discussion about a problem with a sidewalk at Hickory Lane and Anderson Avenue mentioned by Todd.

There being no further business, M/S/C the meeting be adjourned.

Respectfully submitted,

Louise G. Ungar
