

Due to COVID-19 Crisis, The Mayor's Task Force has developed the following policy.

All Borough Departments are working and conducting daily activity

The Closter Borough Hall will be closed to outside visitors.

98 % of Borough business can be conducted without a personal visit to the Borough Hall.

If you need to do business with any department, please contact them via phone (Directory listed below). They will advise you on the procedures to complete your business.

The Borough website has many forms needed to complete and can be mailed in.
